FOREWORD

We, the class of 1945, have composed this twenty-fourth Handlian with the hope that, in future years, it will revive in our memories the familiar faces and well-remembered places that have gone to make up a never-to-be-forgotten period in our lives.

We have attempted, by using the wood work theme in our illustrations, to show our appreciation of Mr. Yate's long service in the Woodwork Department.

DEDICATION

In appreciation of his willingness and anxiousness to guide us successfully in our school, and outside activities, and to help establish and maintain student government at Handley, we, the class of 1945, dedicate this Handlian to the memory of a man who held the respect and admiration of us all, Mr. James B. Yates.

MRS. HALL

The class of 1945 is indebted to Mrs. Hall for her untiring supervision of all our social activities. She gallantly helped us to make our Junior dance, our Junior-Senior Prom, and our Senior dance rate among the best ever had.

MISS HYATT

Miss Hyatt directed our Junior and Senior Plays, and was always ready and willing to advise us in any matter, large or small. The class of 1945 deeply appreciates her interest in us and is sincerely grateful to her for all her work with us.

IN MEMORIAM

ANN BERNADINE BREINING
April 26, 1927-March 12, 1944

EARL HEWITT PARSONS
August 13, 1927-August 7, 1938

She Always Remembers

Among the whispering pine trees,
Standing 'way up on the hill,
Is our beloved high school,
Braving heat and winter's chill.

Her halls hold many memories
Of things from former years;
She knows of hopes and pleasures,
Heartaches, griefs, and tears.

She cherishes each memory
As if 'twere made of gold.
These things she keeps within her heart
To treasure and to hold.

She too recalls with sadness
The pain she's had to bear
Of seeing her strong sons depart.
In freedom's fight to share.

When we too leave her hallways,
Will she look down the years,
To watch our small achievements,
Our struggles, hopes, and fears?

Of course she will remember;
She ne'er forgets a one;
And will mark our future journey,
When our labors here are done.

Executive Council

Comparable to the legislative branch of our own national government, the Executive Council is the organization which governs the students at Handley. In addition to discussing laws and keeping a school budget, it also has an important part in the social life of each student by its maintenance of the General Organization, through which it sponsors various social and athletic events during the school year. In electing the Executive Council the members of the General Organization are paving the way toward taking their places as citizens in a democratic nation.

Monitor Commission

The purpose of the Monitor Commission is to maintain orderly conduct throughout the school during lunch and between classes. To carry out this purpose monitors are placed in the halls to remind and warn students about their behavior. If students ignore repeated warnings, they are tried by the members of the Commission, who are seniors, appointed by the president of Executive Council.

Honor Court

The Honor Court, consisting of nine student judges, who are chosen by the principal with the consent of the Executive Council, is the judicial branch of our student government. Through the use of the Honor Pledge, it promotes honesty in all academic work. It tries violators of the Honor Pledge and other school regulations and, with the approval of the Principal, imposes sentences upon the guilty offenders.

A Cappella Choir

The A Cappella Choir, composed of twenty-five of the most talented members of the Glee Club, has done much to deepen the appreciation of the students for finer music. During the year, the Choir has sung in various churches, and has taken a prominent part in the Christmas Concert and Commencement exercises.

The Glee Club

"There's music in the air." Yes, there is music in the air when our Glee Club tunes up and begins singing one of its beautiful numbers.

Under the direction of Miss Gwendolyn Haynes, the Glee Club plays an important role in the school activities. During the year, its 69 members present numerous assembly programs, and take an active part in the Christmas Concert and Commencement Exercises.

The Latin Choir

The members of the Latin Choir are students who have studied Latin. Under the capable direction of Mrs. Peery and Miss Haynes, it has presented, since 1942, several assembly programs consisting of original Latin songs, as well as familiar songs translated into Latin. This organization has helped its members acquire a cultured background in both Latin and Music.

The Handley Band

This year marks the twentieth anniversary of the founding of the Handley Band. From the first years of its organization it has been the foremost band in this section of the state and has won the esteem and admiration of townspeople, as well as the student body, by providing the musical background for both scholastic programs and public functions.

MOTTO

KNOWLEDGE + LABOR = PROSPERITY

Since its organization in 1927, the Handley Chapter of the Future Farmers of America, has taken an active part in all F.F.A. judging contests, literary contests, and other activities. Well may Mr. Frye, their advisor, be proud of these boys, because the principles of agricultural leadership and efficient farming, which they are now learning, will afford life-long benefits to each of them. By following their motto, they shall attain prosperity.

The Library Club

The Library Club, which was organized in 1940, has a two fold purpose—that of providing volunteer assistants for the librarian and that of providing training and practical experience for girls who are interested in library work. The members have proven themselves invaluable in their assistance in the library, and have themselves obtained experience and broadened their knowledge and interest in books and libraries.

Cheer Leaders

Handley's six cheer leaders, elected by the members of the General Organization, really did a wonderful job this year in building school spirit. They led our cheers and songs at the football games, even organizing a torch light parade and rally to pep us up for the big Thanksgiving game.

Boys' Monogram Club

In order to become a member of the Monogram Club, a boy must earn his JH in football, basketball, or track. In football and basketball he must have played in one-half the quarters of a season, and in track he must have placed first, second, or third in a C.V.A.L. meet. Letters are also awarded to those who have performed some service for which they deserve recognition. An additional letter, the VL, is awarded to those boys who win five points in the state athletic contest at Charlottesville.

Girls' Monogram Club

The Girls' Monogram Club is composed of every girl who has earned 500 points in girls' athletic contests. These points—100 for making first team, 75 for making the second team, and 50 for attending over half of the practices—may be earned in soccer, basketball, volley ball, badminton, and softball. After receiving 500 points, a girl obtains her monogram and is automatically a member of the Monogram Club, which officially takes charge of all girls' athletic contests.

A Message From The President of The O'Sullivan Rubber Company, Inc., to The Graduating Class of Handley High School

It is our sincere belief that the young men and young women who graduate from Handley are a more intelligent and better trained group than the graduates of most High Schools in America: This opinion is fostered by our relations with the Handley graduates who work with us in the plant and office of The O'Sullivan Rubber Company.

Such important positions as secretary to the President, secretary to the Treasurer, secretary to the Vice President, and Assistant Purchasing Agent are held by girls who graduated from Handley. The positions of Purchasing Agent, Executive Paymaster, Assistant Sales Manager, Assistant Treasurer and Office Manager are held by former Handley graduates.

Because it may be important to your future and to the future of The O'Sullivan Rubber Company, we want you to know something of our background and policies

The first rubber heels ever made were O'Sullivans! Invented by Humphrey O'Sullivan about forty-six years ago, O'Sullivan Heels and soles are now among America's most famous products. In any city or town in the United States the first ten people you ask to "name a rubber heel" will invariably answer "O'Sullivan." Most of us who work here are proud of this fact.

Though it is quite natural that The O'Sullivan Company has a big name, it does not have a "big head." There are no delusions of grandeur among the executive body. The suggestions and criticisms of those who work here are always welcomed. Every man and woman receives every opportunity that we can offer for their advancement.

It is our policy that every man employed in our plant or office shall have an opportunity to someday become the head of this organization. There is neither nepotism nor discrimination, and every man and woman employed here can, to the degree to which he or she is capable, make his or her own future.

I tell you this in the hope that the talented and ambitious young men and women of this graduating class will want to work for The O'Sullivan Rubber Company. It is our hope that there will be positions in our plant and office for those who do apply. It is my hope and the hope of The O'Sullivan Rubber Company that all the graduates of this class and every high school will enjoy the freedom of the future in brilliant and successful careers.

Sincerely,
EARL BUNTING

CONGRATULATIONS!

TO THE CLASS OF 1945

In life, your morale may be deflated
With your thoughts dull and slow,
But do not be discouraged,
Take hold and make it go.
Spruce up, take heart and hold on
Until success is plain,
For when you least expect them
Roses will bloom again!

Someone may rouse your anger
But you will happier live,
If you can curb your temper
And then in love forgive,
Be patient in your actions
And though you suffer pain,
The pain refines the spirit—
Roses will bloom again!
